

# ROCK N RYE WHISKEY

## A Twist on an Old Classic! Made from Rye Whiskey

Driftless Glen's "Rock N Rye" pays homage to the iconic guitar riffs of Rock N Roll past and present. Sit back, pour and unleash your inner Rock Star!

"Rock N Rye", like Rock N Roll, is an old classic. Back in the day when Rye whiskey was the #1 spirit, bartenders flavored the rye whiskey with rock candy and citrus. Our easy-flavored "Rock N Rye" keeps to the old standard with an innovative twist ... something unique, fun and a fresh take on an old favorite.

Made to be chilled as a shot, served with your favorite soda mixer, or great with a scoop of vanilla ice cream.
