

DRIFTLESS GLEN

AN AMERICAN DISTILLERY

5 Year Reserve Brandy

Crafting Excellence in Driftless Glen Brandy

Born in France and Finished at the Edge of the Driftless Area USA.

Driftless Glen 5 Year Reserve Brandy gets its start in the Cognac Region of France where grapes are sourced to ensure the highest of quality. The fruit is then barreled on-site and aged for 5 taste-intensifying years in French Oak Casks. It then travels by ship and makes its way to our Driftless Glen Distillery in Baraboo, Wisconsin where we finish in spent Bourbon barrels for added complexity. This gives the brandy the depth and character of color, notes and taste to merit our Reserve designation.

Our brandy is characterized with notes of vanilla, caramel and cherry with a smooth warm finish.

- Size: 750 ml
- 92 Proof
