

Our handcrafted S'mores Rivershine is inspired by the area history of bootlegging during prohibition and the river that is at our distillery's front door in Baraboo Wisconsin.

On any given night in the Northwoods, the smell of this fireside favorite fills the air. Now folks can take home a bottle of the flavor they enjoyed around the campground.

Rivershine S'mores is distilled using cane and grain and great for sipping or served in unique cocktails.

- Size: 750 ml
- 56 Proof

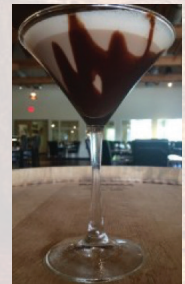

Chocolate Martini

Drizzle the inside of the martini glass with chocolate syrup.

Shake:

- 2 oz. Rivershine S'mores
