

SleepOver

VODKA

SleepOver Vodka is handcrafted using local ingredients from the Driftless Region of Wisconsin that is home to our distillery. The sandy soil in the area and our aquifer, contribute to a high quality water source and make for excellent Vodka. SleepOver is made using natural flavoring.

Flavors: Cool Cucumber, Lacy Lemon & Traditional

SleepOver Cucumber will brighten the taste of a perfect Bloody Mary or Martini. This flavor will take you right back to the summer days at a farmer's market...all the cucumber taste with none of the seeds!
